

The Lights Were On

Eyewitnesses and Sailboat Owner:

Lights Were
Illuminated When
Boat Set Sail

Mark Weber (Sailboat Owner): *I turned on all the lights.*

Stephanie Green (Former Police Officer): *I saw the boat set sail with its lights on.*

Jim Ziebell (Founder of the Konocti Cup): *I saw the stern light. It was on.*

Doug Jones: *I saw the cabin light on. Then I saw the stern light on.*

Jeannie Strak: *I was on the dock. The sailboat was lit up like a Christmas Tree.*

Eyewitnesses and Sailboat Owner:

Lights Were
Illuminated at Time
of Impact

Mark Weber (Sailboat Owner): *The lights were on until Perdock crashed into us.*

Brian Stole: *I saw the lights of the two boats come together.*

Science:

Filament Exam
Reveals Lights Were
Illuminated at Time
of the Accident

Dr. William Chilcott (Lighting Expert): *Filament examination reveals that the lights were on.*
