5. SUMMARY

The following summary is based on the totality of information received at the time of the authoring of this report. This summary is based on information passed through allied law enforcement agency reports, CHP and allied agency dispatch detail logs, physical evidence, as well as witness and victim statements.

On March 9, 2018, at approximately 1018 hours, suspect, Albert Wong, arrived in a rental vehicle and parked along the northwest side of Madison Hall. [REDACTED]

[REDACTED] Wong was equipped with a .308 assault rifle and a 12 gauge double barrel shotgun, extra magazines, and ammunition. Wong was wearing eye protection and ear protection as he walked to the second floor and into the Group Room where a meeting/going away party was being held.

At approximately 1021 hours, Napa County Sheriff’s Department (NCSD) Deputies, working the Town of Yountville, California, were dispatched to a report of an “Active Shooter” in progress at the Pathway Home at the Veterans Home of California, located at 100 California Drive in Yountville, California, at Madison Hall Section G. The first reporting party (Later identified as [REDACTED]) advised there was an “Active Shooter”, the “shooter” was 36-year-old Albert Wong, and he had a semi-automatic firearm with “lots of ammo,” she did not know if anyone had been shot, and suspect Albert Wong, had released several hostages.

NCSD Deputy Steve Lombardi (call sign 9-Edward-32) responded to the “Active Shooter” call and arrived as primary on scene at approximately 1025 hours. Deputy Lombardi heard updates on the radio to include the shooter was equipped with an assault rifle, lots of ammo, was prior military, and was a former client of the Pathway Home. Deputy Lombardi responded by himself to Madison Hall, Section G. Deputy Lombardi was hailed by a released witness, [REDACTED], on the northwest corner of Madison Hall. [REDACTED] advised Deputy Lombardi Wong was located on the second floor in a Group Room, and she had not heard any shots fired yet. [REDACTED] used her security access card and opened the first floor main entrance door, on the west side of Madison Hall. [REDACTED] followed Deputy Lombardi up to the bottom of the stairwell leading to the second floor, directing Deputy Lombardi toward Wong’s last known location.

Case #: F 015-325-18/ M-033-316-18

Victim(s): Jennifer Gonzales Shushereba, Jennifer Golick, Christine Loeber, Deputy Lombardi

Suspect(s): Albert Cheung Wong

1 Prior to identifying Wong's location, Deputy Lombardi worked his way to the second floor
2 of Madison Hall, and began to safely clear room to room and check unsecured areas of the
3 second floor. Deputy Lombardi cleared a small room adjacent to the room labeled "Group
4 Room". Deputy Lombardi pushed open a closed metal door to the Group Room. Deputy
5 Lombardi located Wong with a rifle through the partially opened door. Deputy Lombardi
6 retreated to a position of cover. Deputy Lombardi stated within seconds he heard the sound
7 of Wong charging his rifle, making it ready to fire. Almost immediately he stated he heard a
8 loud scream coming from within the Group Room from what he perceived to be a female.
9

10 Deputy Lombardi feared for the lives of the women being held hostage and his own life. He
11 began firing, through the door to the Group Room, toward Wong's last known location in
12 response to the sound of a rifle racking followed by a woman's scream. Gunfire began
13 coming toward Deputy Lombardi from inside the Group Room. Deputy Lombardi
14 exchanged gunfire with Wong while simultaneously retreating to a position of cover. Deputy
15 Lombardi held his position of cover until responding Law Enforcement personnel arrived.
16 NCSO Sergeant Thompson, Deputies Branco and Fisher, and Napa Police Department
17 Officers Toscani, Keown, Helfrich and Thompson arrived on the second floor and relieved
18 Deputy Lombardi.
19

20 It was unknown by Deputy Lombardi or responding Law Enforcement personnel if there
21 were signs of life inside and the situation transitioned into a hostage/barricaded suspect
22 protocol. Law Enforcement personnel from the region responded to the incident and
23 command posts were established. Law Enforcement personnel exhausted all means of tactical
24 considerations and several allied agency SWAT teams controlled the scene.
25

26 At approximately 1830 hours, the Federal Bureau of Investigations SWAT team made entry
27 into the building/room where Wong had previously barricaded himself and the three women.
28 Upon entry into the Group Room they discovered four deceased bodies and secured the crime
29 scene for further investigation. California Highway Patrol Special Investigations Unit, CHP
30 Investigator Markwell (ID 20660) assumed lead on the investigation.

9. DETAILS OF INVESTIGATION

On March 9, 2018 at approximately 1110 hours, CHP Investigator Markwell was advised to respond to the Veterans Home of California located in Yountville, California, for an Active Shooter Investigation. A short time after arriving at the command post, Sergeant Rossetti assigned Investigator Markwell as the Lead Investigator of this incident. The following is based upon Investigator Markwell's investigative steps, those of fellow investigators, witness and victim statements, dispatch incident logs relating to this incident, and physical evidence. *All times in this investigation are approximate based upon different time sources and different time stamps which were all utilized to document this section of the report.*

On March 9, 2018 at approximately 1300 hours Investigator Markwell arrived at the joint Command Post and began obtaining information surrounding the incident. Investigator Markwell learned the suspect's name was Albert Cheung Wong with a date of birth of [REDACTED] 1981 ([REDACTED]). Investigator Markwell and Investigator Coker met with Napa County Sheriff's Department (NCS D) Detective Don Maiden, who was also assigned to the investigation by his department. Detective Maiden relayed there had been an officer involved shooting (OIS), and the involved officer was NCS D Deputy Steve Lombardi. The OIS occurred at approximately 1032 hours, and Wong was suspected to be holding three hostages in a Group Room on the second floor of Madison Hall – Section G. The three victims held hostage were suspected to be The Pathway Home staff: Christine Loeber (Executive Director), Jennifer Gonzales (Psychologist for Veteran Affairs), and Jennifer Golick (Clinical Director).

Detective Maiden related there was a rental vehicle parked on the west side of Madison Hall near the loading dock believed to be rented by Albert Wong. The vehicle was described as a Gray 2018 Toyota Avalon bearing [REDACTED] license plate [REDACTED]. The vehicle came back registered to [REDACTED] rental car company. NCS D Detective Hernandez responded to the Napa [REDACTED] Car location and learned Wong rented the vehicle on 02/27/2018 at 1242 hours. The vehicle was rented from the Sacramento Airport rental location and was scheduled to be returned on 03/13/2018 by 1300 hours. Detective Hernandez provided a copy of Wong's rental agreement to Investigator Markwell.

On March 9, 2018, Detective Maiden received information about [REDACTED] [REDACTED]

Investigator Markwell provided his contact information to [REDACTED] and requested he contact him if he thought of anything else that might assist. Investigator Markwell contacted CHP Sergeant Bradshaw and advised him of the location of the suspect's uncle's house in [REDACTED]. Sergeant Bradshaw contacted the Ukiah CHP office and requested a welfare check be conducted at the location. 15 At approximately 1900 hours, an investigative briefing was conducted with all personnel
16 in order to determine the parameters in which the investigation would move forward.
17 Based on this briefing an outer perimeter was established around Madison Hall, which
18 included the parking lot of Madison Hall. The area was taped off using yellow crime
19 scene tape and uniformed CHP Officers in marked CHP vehicles were posted at all
20 entrances. A crime scene log was established for the outside perimeter located at the
21 northwest parking lot entrance. A second crime scene log was established for the
22 entrance into Madison Hall, located at the first floor north entrance. Uniformed CHP
23 Officers were assigned the task of manning these points of entry and maintaining the
24 crime scene logs. Additional exterior lighting was brought into the outer perimeter to
25 illuminate the exterior of the building including the parking lot. Personnel canvassed the
26 exterior of the building within the outer perimeter to determine if any evidence could be
27 located.

29 In addition to establishing the search locations of Madison Hall, the large parking lot to
30 the north of the building was included based on the possibility of locating additional
31 suspect or victim vehicles. [Redacted] conducted Department
32 of Motor Vehicles (DMV) registration inquiries on all vehicles located within the
33 Madison Hall parking lot. They were able to determine three vehicles located within the
34 outer perimeter belonged to the three victims located inside.

- 2) Vehicle registered to Jennifer Gonzales. Located just northwest of Madison Hall, facing in a southerly direction. [REDACTED]
- 3) Vehicle registered to Jennifer Golick. Located just northwest of Madison Hall, facing in a westerly direction. [REDACTED]

The three vehicles were secured and marked as evidence. Investigator Coker completed a CHP 180, *Vehicle Report*, to impound the vehicles as evidence, per California Vehicle Code (CVC) 22655.5. Pope Valley Tow was later called to transport the vehicles from their location to the Napa Area CHP office. Investigator Phillips followed each vehicle to the Napa Area CHP office to maintain the chain of custody. The vehicles were stored behind a locked gate on CHP property until processed and released.

Based on the 1900 hours briefing, it was determined Investigator Hampton and Hughes would respond to the address in Sacramento, determined to be Wong's residence. It was also determined Investigators Kirby and Randall would respond to the address in [REDACTED], determined to be the residence of Wong's uncle.

At approximately 1920 hours, Sergeant Rossetti requested Investigators Hampton and Hughes respond to Wong's address in Sacramento to relieve the ATF agents and take over scene management. He also related CHP SWAT had been requested to make entry into the residence and secure the scene so Investigators Hampton and Hughes could conduct a search. He also requested Investigators Kirby and Randall respond to Wong's uncle's house in [REDACTED]. Sergeant Rossetti requested Investigator Barrientos author a search warrant for Wong's residence in Sacramento and [REDACTED]

Officer Poore completed an inspection of the JP Enterprises .308 rifle. In summary, the rifle was functional, and the internals and trigger appeared to be unmodified. Officer Poore related the firearm did have a magazine release that was able to be depressed with the use of a finger instead of a "bullet button" style release mechanism. With this type of modification the rifle would be considered an illegal assault weapon as defined in California Penal Code Section 30515. The rifle also had an attached Magpul 20 round polymer magazine which is considered a high capacity magazine per California Penal Code Section 16740.

Upon the inspection of the Stoeger 12 gauge Coach Shotgun, it was fully functional and in working order. It was determined no modifications were made to the weapon, making it compliant with California State Law. Both weapons were returned to Napa CHP Office evidence locker.

Case #: F 015-325-18/ M-033-316-18

Victim(s): Jennifer Gonzales Shushereba, Jennifer Golick, Christine Loeber, Deputy Lombardi

Suspect(s): Albert Cheung Wong

1 Wong entered Madison Hall through a metal door leading into the basement, which he
2 had propped open the night before. It is unknown if he entered the building the night
3 before by the same means or if he was let in by a resident or staff member. By entering
4 in this manner he bypassed the need to use a key, electronic keycard or accomplice to
5 enter the building. Once inside, Wong donned clear safety glasses and ear protection
6 muffs, additional ammunition and magazines. He also slung a .308 caliber assault rifle
7 and a double barrel shotgun over his shoulders.

8
9 Wong maneuvered his way through the basement, using his foot to kick open a door,
10 while making his way to the stairs leading to the first floor. Wong ascended the stairs to
11 the first floor and immediately walked up the stairs to the second floor. Without
12 hesitation, he turned right and walked directly to the Group Room. Almost immediately
13 Wong dismissed three veterans present in the group room: [REDACTED]

14 [REDACTED] Wong then dismissed four female staff members: [REDACTED]

15 [REDACTED]
16 [REDACTED] Wong verbally indicated the three remaining women, Jennifer Gonzales
17 Shushereba, Jennifer Golick, and Christine Loeber, were to remain in the Group Room.
18 Wong removed a door stop which had been propping the Group Room door open. These
19 actions indicated Wong's specific interest and intent to hold the three remaining hostages.

20
21 Several of the released victims/witnesses called 911 to report the situation to law
22 enforcement. The NCSO Dispatchers related the information from the callers to deputies
23 via the radio. Deputy Lombardi responded to the call of an active shooter at The
24 Pathway Home, located within the Veteran's Home of California. Deputy Lombardi
25 received information regarding Wong's prior military experience, possession of an
26 assault rifle and "lots of ammo." Dispatch also related Wong possibly had hostages and
27 was a prior patient of The Pathway Home.

28
29 Deputy Lombardi felt he was going into the situation at a disadvantage and did not think
30 he was going to come out alive, but knew he had to stop the threat based on his training.
31 Deputy Lombardi arrived on scene and was given directions by [REDACTED] on how
32 to get to the Group Room. [REDACTED] escorted Deputy Lombardi into the building using her
33 electronic keycard and to the bottom of the stairwell that led to the second floor. Deputy
34 Lombardi responded by himself up to the second floor of Madison Hall. Deputy
35 Lombardi searched and cleared the hallway and rooms leading up to the Group Room
36 door.

Case #: F 015-325-18/ M-033-316-18

Victim(s): Jennifer Gonzales Shushereba, Jennifer Golick, Christine Loeber, Deputy Lombardi

Suspect(s): Albert Cheung Wong

1 Deputy Lombardi pushed open the Group Room door and immediately saw, what he
2 interpreted as, a barrel of a rifle with an attached flashlight being held in an upright
3 position towards the ceiling. Deputy Lombardi moved to a position of cover behind a
4 wall and around the corner, just northeast of the Group Room door. Deputy Lombardi
5 believed the situation was static and at a standstill, possibly a hostage situation.
6

7 Deputy Lombardi heard Wong “rack” the charging bolt of his rifle, making the rifle ready
8 to fire by pushing a bullet into the firing chamber. Deputy Lombardi immediately heard,
9 after the sound of the rifle racking, a high pitched female scream. Deputy Lombardi
10 immediately recognized Wong had transitioned from a static to active threat by the
11 charging of his rifle. Deputy Lombardi recognizing the racking of the rifle and the
12 female’s scream believed the female was about to be shot and knew he had to take action.
13

14 Deputy Lombardi subsequently intervened with lethal force to protect the life of the
15 female. At approximately 1032 hours, Deputy Lombardi came out from cover and
16 engaged Wong in the direction of Wong’s last known location. Deputy Lombardi, within
17 seconds, was met with a hail of gunfire of a large .308 caliber round. Deputy Lombardi
18 returned fire as he could still hear gunfire within the Group Room. He strongly believed,
19 based on his training and experience, Wong was going to advance on him from around
20 the corner and attack. Deputy Lombardi fired additional rounds as he moved to a
21 position of cover north of the Group Room near the elevators. No further gunfire was
22 heard from the Group Room so Deputy Lombardi maintained his position near the
23 elevators by himself for over six minutes until responding officers arrived.
24

25 At approximately 1038 hours, NPD Officers and NCSD Deputies arrive at Deputy
26 Lombardi’s location on the second floor of Madison Hall near the elevators. Deputy
27 Lombardi updated the Officers and Deputies of his actions and the location of the
28 suspect. The Officers and Deputies on scene took up positions to cover the hallway and
29 access points to the Group Room. Believing the situation had transitioned into a hostage
30 situation, SWAT and Hostage Negotiation Teams were called to the scene. Sonoma and
31 Napa SWAT teams relieved the officers in the hallway and formed a perimeter.
32

33 Based on CCTV camera footage from inside Madison Hall and audio captured from
34 Deputy Lombardi’s BWC, it was determined, after Wong fired his rifle toward Deputy
35 Lombardi, he turned his rifle toward the three victims. Wong struck Gonzales
36 Shushereba and Golick each with one round from his rifle causing fatal injuries. Wong
37 struck Loeber multiple times with numerous rounds from his rifle causing fatal injuries.

5 The robot breached the door and successfully located all four occupants inside. From
6 video projected from the robot it was determined all four occupants appeared to be
