Re: People v. Dinius

Dear Mr. Haltom,

I have completed my report on my investigation. My conclusions are based on my expertise in marine accident investigation and collision dynamics. I have personally investigated over 625 marine related accidents. Since my retirement from law enforcement in 2001, I have been retained to investigate 27 accidents.

I have represented 21 plaintiff cases and 6 defendant cases. I have represented the Napa County District Attorney's Office on 3 cases, I am presently consulting with the Fresno County District Attorney's Office and I am scheduled to testify for the Imperial County District Attorney's Office next month. Four of these cases are manslaughter cases.

If you have any questions, please contact me by phone or e-mail.

Sincerely,

Wes Dodd
