## **Lieutenant Governor David Dewhurst Statement On Controversy Surrounding Patrick's Medical History**

**AUSTIN** – Lt. Governor David Dewhurst released the following statement in response to the release of information relating to Dan Patrick's personal medical challenges:

"Commissioner Jerry Patterson operates completely independently of my Campaign, and over my objections he chose to release information from Mr. Paul Harasim's files, which are all part of the public domain. My heart goes out to Dan Patrick and his family for what they've endured while coping with this situation.

"The bottom line is I have not read or reviewed any of Mr. Harasim's files from his lawsuit with Dan Patrick. Neither the Campaign or I have any control whatsoever over Mr. Harasim's files.

"Joe Manero does not have a position with my campaign."
