

## TRAFFIC ALERT

### SAN FELIPE AND POST OAK BOULEVARD INTERSECTION BEGINS CLOSURE WEDNESDAY NIGHT

#### *Intersection to Re-Open Monday Morning, June 1*

- Who:** Uptown Houston Tax Increment Reinvestment Zone (TIRZ)
- What:** Full closure of intersection
- Where:** San Felipe and Post Oak Boulevard  
Uptown Houston
- When:** Closes – Wednesday, May 27 at 7 p.m.  
Re-opens - Monday, June 1 at 5 a.m.
- Why:** Beginning Wednesday evening, the entire intersection of San Felipe and Post Oak Boulevard will be closed briefly for re-paving. The traditional approach of re-paving an intersection in phases typically requires six weekends to complete. This accelerated approach will have the project completed in a fraction of the time. In addition, time permitting; crews will reinstall the iconic Uptown Houston ring, which was removed to relocate the support pole for the widening of San Felipe.

**Alternate Routes:** See attached map.

**New Street:** To coincide with the closure of the intersection of the San Felipe and Post Oak Boulevard, the Uptown Houston TIRZ recently completed the new Post Oak Lane, which runs north and south connecting San Felipe to Ambassador Way. Post Oak Lane runs perpendicular to San Felipe allowing drivers to travel from Woodway to Westheimer without accessing Post Oak Boulevard.
