Re: Commissioner Jerry Eversole

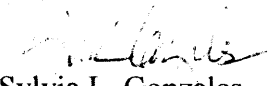

Dear Mr. Rosenthal:

LULAC (The League of United Latin American Citizens) is the oldest and largest Hispanic Civil Rights Organization in the United States. LULAC advances the economic condition, educational attainment, political influence, health and civil rights of Hispanic Americans through community base programs operating in more than 700 Councils national wide.

Please consider this letter as an official position regarding Commissioner Eversole's indictments alleging: abuse of official power, malicious fraud, felonious conduct, and official corruption charges. As the Elected Official of the District Attorney's Office, your job is to investigate and prosecute all individuals that have violated societal laws to the fullest extent regardless of friendship, political partisanship, or financial contributions to your campaign.

We trust that you conduct yourself honorable and ethically as you administer and carry out your duties. Further, we expect charges to be forthcoming and to end Commissioner Eversole's practice of squandering and stealing hard earned tax-payers monies.

Respectfully Submitted,

Sylvia L. Gonzales
Civil Rights Chair
LULAC District VII
