Narrative

Scene Summary:

As I approached the scene, turning east off of Arboretum (facing east). The first area of contact was 7415 Timber Line (Victim #1 location). 7415 Timber Line is a single story residence located on the north side of the roadway. The front door faces south. Approximately seven feet south of the front door is a small tree. The victim #1 was positioned face down just approximately one foot south of a small tree. The victim was lying with his head facing west and his feet facing east. The victim was dressed in a green shirt with green pants and a black baseball cap. The victim had what appeared to have sustained an injury to his left flank.

7502 Timber Line (Victim #2 location). 7502 Timber Line is a two story residence located on the south side of the roadway. The front door faces north. Victim #2 was positioned on his left side face down approximately thirteen feet from the east wall of the residence. He was dressed in a dark green shirt and green colored jeans. The suspect's head was facing south and his feet were facing north. I was unable to determine where the suspect had sustained his injury, but there was a large pool of blood on the ground just beneath his mouth.

ORIG

Narrative

Both victims appeared to be deceased, due to the fact that they had sustained what appeared to be shotgun wounds. ETMC ambulance (medic 1) was dispatched to scene at 14:03 hrs, and arrived on scene at 14:09 hrs. Once on scene, attendants D. Alexander and C. Guzman began checking on the welfare of the victims. Medical personnel were unable to locate any vital signs on the victims, and confirmed them deceased at 14:52 hrs.

7418 Timber Line (Witness' residence). 7418 Timber Line is a two story residence located on the south side of the roadway. The front door faces north and was ajar. Just south of the front door was a brown wicker chair. In the seating area of the chair was a black shotgun. Just north east of the front door is a small garden area. Approximately three feet from the front door were two spent shotgun rounds in the garden area. The shells were red in color. I did not obtain the caliber of the shotgun or the shells, due to the fact that the area was already secured and Detectives were on scene. I only saw the shotgun from a distance and was unable to identify the make or style of shotgun that was located.

Finally, I arrived at 7422 Timber Line (Burglarized residence). 7422 Timber Line is a two-story residence located on the south side of the roadway. The front door faces north. There are two small trees approximately ten feet north of the front door, one is located on the west part of the front yard, the other on the east side of the yard. The trees are approximately seven feet apart from one another and surrounded by brown mulch. Along the mulch line of the eastern tree are two separate items (white hat and pillow case). The white baseball cap is located on the north side of the tree. The pillow case is located on the south side of the tree.

The weather was clear, the lighting was natural and good.

Details:

At approximately 1:53pm, a call was broadcasted as a burglary in progress at 7418 Timber Line, with shots fired. I made my way towards that area. I arrived on scene at approximately 2:05pm and observed the above listed scene. I was informed by Officer Rhule that he and Officers C. Williams, G. Duskocil were already on scene and had secured the witness, Joe Horn. I was also informed by Sgt. King that he and Officers M. Pizano, K. Heiserman, R. Anderson, and Sgt Moon secured 7422 Timber Line (burglarized residence). Later, I was advised by Sgt. King that Officers J. Coker, B. Lithicum, and P. Rhule had searched and secured 7418 Timber Line (witness residence) for any additional injured persons or suspects. I also learned that the Witness (Joe Horn) was later going to be escorted to the Police station by the detective division for a formal statement.

Next, I took photographs of the scene (20 individual pics), which were later logged in as evidence. The photographs were of the final resting positions of the suspects, frontal views of the residences involved in this incident, 7115 Timber Line Dr. (Victim #1's location, 7418 Timber Line Dr. (The witness's residence), and 7502 Timber Line Dr. (Victim #2's location). In addition, I photographed the shot gun (1 photo of shot gun), shell casings (2 photos), and a baseball cap (1 photo). I then spoke to Officer C. Williams, who was the first Officer on scene. He stated that he arrived on scene on Timber Line Dr. from the east (facing west). Williams then said that he observed (from his vehicle) the two victims and the witness in the front yard of 7418 Timber Line Dr. (Witness residence). The witness had a shotgun in his hands. Officer Williams continued to say that as he attempted to exit his vehicle, he observed the witness discharge his weapon towards one of the suspects, and that suspect fled north across the

Narrative

street. Williams then said the witness pointed the shotgun towards the second suspect and discharged his weapon again. At that point, Officer Williams advised me that he took cover on the floor board area of his vehicle, using his engine compartment as cover. Officer Williams advised dispatch that shots had been fired. He then made his way to the north east corner of 7502 Timber Line, after multiple shots had been discharged taking cover until further units could arrive on scene. Officer Williams then checked on the welfare of victim #2. See C. Williams supplement report.

Detective Villareal arrived on scene at approximately 2:30pm and took custody of the scene. A Crime Scene sign-in sheet was made by Officer Lithicum, which he later logged into the Police file (by Police records clerks). I then assisted on securing the crime scene until the scene was released by Detective Bruegger.

Referred to Detectives for follow up investigation.

(Amended: 12-5-07)

R. Flores #2220
