FOR IMMEDIATE RELEASE
November 15, 2011

On Tuesday, November 15, 2011, Federal Law Enforcement Officers along with Precinct 6 Deputies and another local agency arrested Richard Romero, Jr. on an outstanding out of state warrant for Trafficking Illegal Prescription Narcotics. Romero was arrested at 2302 Dryden road, in Houston.

Richard Romero, Jr. was a community Liaison with Precinct 6 since 2007. A community Liaison is not a peace officer, but a civilian volunteer.

Precinct 6 developed this partnership with the community to enhance community volunteers.

Some Community Liaisons serve as CB patrols or as business partners that assist with community events.

As of this date Richard Romero, Jr. is no longer a Precinct 6 Community Liaison.
