RE: Kot, Robert
S/N 01LM0196XU
Response from Liberty Homes, Inc.

These are the facts.

- ❑ On April 22, 2005, Liberty Homes, Inc. sold a home to Woodale Homes of Oregon, Illinois.
- ❑ Thereafter, Woodale homes sold the home to Mr. Kot. Woodale entered into an agreement with Mr. Kot concerning installation of the home.
- ❑ Liberty Homes, Inc. warrants that it will repair defects in workmanship and materials.
- ❑ Liberty Homes, Inc. was informed of warranty items and offered repairs.
- ❑ Liberty Homes sent repair crews for the purpose of making repairs. After repairs were begun, Mr. Kot refused further repairs.
- ❑ The State of Illinois and Liberty Homes then inspected the home and Liberty Homes again offered to make repairs according to the finding of the state of Illinois.
- ❑ Repairs were begun and Mr. Kot subsequently, before completion of repairs, forbids service people to enter his property.
- ❑ After this, repeated attempts to offer repairs were made but, for a prolonged period, Mr. Kot forbids service.
- ❑ The majority of the damage done to the home is a result of Mr. Kot's refusal of service and his failure to complete the exterior close-up of the home, as per his contract with Woodale Homes. Now the home is in total disrepair due to being exposed to the elements for a long period of time.

These are the facts. We expect you will report them and not repeat slander and liable. This matter is in litigation. We have no further comment.
