**NARRATIVE:** The undersigned has probable cause to believe the above-named defendant on the, 4 of May 2013 at 5:15 PM at 8200 VINELAND AV (Zone: 50 ) in Orange County did

On 05-04-2013 I Deputy First Class Clifton was working off duty at the Premium Outlet Mall. A mall security officer and witness, Tariq Alli, advised over the security radio of a physical fight in lot number 19. As a part of my duties as the off duty deputy I responded to the area. As I was arriving on scene Alli advised that one of the parties involved was leaving in a vehicle. He advised the vehicle was a white Mercedes with Georgia license plate BXM0212. I approached the location where the incident occurred and saw a male laying on the ground. I could see a considerable amount of blood on the ground and the subject appeared unconscious. Believing I was dealing with a felony crime, I immediately located the vehicle and followed it out of the mall down Vineland Avenue. Deputy Riccaboni assisted me in performing a tactical park on the vehicle. We ordered the only subject in the vehicle out at gunpoint. He was then secured in handcuffs pending further investigation. I was notified by Corporal Bustamante, see supplement, that he had a victim who could identify the subject. He brought victim Lester Garcia Baez, referred to in this report as Baez, to the location where the subject was secured. Baez positively identified the subject as the person involved in a physical altercation with him and his son. Baez said he was sure this was the individual based on his "height, skin color and physical appearance". Baez said his son got involved to protect him, after Todashev pushed him. Baez did not want to press charges for the battery against him. As he could not read or write English he wrote his statement and Spanish. Corporal Bustamante transcribed Baez's statement into English. I identified the secured subject as defendant Ibragim Todashev. He continuously asked to speak to me to explain his side of the story. I read him his Miranda Right via pre-printed text, he waived his rights and chose to speak with me. Todashev stated that he and Baez got into an argument over a parking space. He said during the argument Baez got into his face at which time Todashev pushed Baez. Baez's son, victim Lester Garcia Perez, referred to as Perez, got involved and Todashev began fighting with him. Todashev said that Perez came at him swinging. Todashev said he was only fighting to protect his knee because he had surgery in March. Also by his own admission Todashev was recently a former mixed martial arts fighter. This skill puts his fighting ability way above that of a normal person. Perez was transported to Dr. Phillips Hospital by Orange County Fire Rescue to receive treatment for his injuries. Deputy Bagshaw, see supplement, responded to the hospital to obtain information about Perez's condition. Deputy Bagshaw advised that Perez had a split upper lip and several teeth knocked out of place. Perez also had head injuries, however Deputy Bagshaw did not know the extent of them. Deputy Bagshaw advised that Perez did want to press charges and testify in court. I placed Todashev under arrest and transported him to the booking and release center without incident.
