

The Ten Tenors – Movember Media Info

Movember:

For the month of November, The Ten Tenors have been taking part in the movement – Movember. They have put down their razors for 30 days to grow a moustache with the aim of raising awareness and funds for important men's health issues – prostate and testicular cancer, and depression in men.

Movember is a movement that started in Australia in 2003 and has since spread across the world. Including: New Zealand, Europe, South Africa, Canada and.

To date, Movember has raised \$47 million globally making it the world's largest charity event for men.

Statistics:

- Prostate cancer will strike 1 in 6 men
- Testicular cancer is the most common cancer amongst men aged 18 – 35
- 1 in 8 will experience depression in their lifetime - many of who don't seek help.
