

# Turkey Place Setter

Crafters4Kids.com A 501(c)3 non-profit organization

## Material List:

- Cardstock
- Feathers
- Pipe Cleaners
- Nail or Weaving Needle
- Darice Cork 1 9/16" x 1 1/2"

## Instructions:

- Begin by inserting a nail or weaving needle into the center of the cork to make a hole.
- Place a pipe cleaner into the cork and spiral the end.
- Wrap another pipe cleaner around the top of the cork. Twist the ends to form a turkey's head, add a red snood.
- Insert feathers at the back of the turkey by placing the ends of the feathers between the pipe cleaner and the cork.
- Design a cardstock place card and insert it into the spiral pipe cleaner.
