Turkey Terra Cotta Pot

Material List:

- Terra Cotta Pot
- Brown Foamie
- Red Foamie
- Orange Foamie
- Googly Eyes
- Feathers
- Wooden Craft Spoon
- Glue Dots

Instructions:

- Begin by gathering all the materials you need for this project.
- To make the turkey head add foam to a wooden spoon add a beak, snood, and googly eyes. Attach everything with glue dots.
- Attach a brown strip of foam along the top of the pot. Use glue dots to hold it in place where the foam meets in the center. Attach foam feet at the bottom of the pot.
- Using glue dots attach the turkey's head to the terra cotta pot.
- Slide feathers into the back, between the foam strip and the terra cotta pot.
- Place candy inside of the Turkey Terra Cotta Pot. Use as a Thanksgiving Decoration.
