www.tinleypark.org

The Taser electronic control device has been in use by the Tinley Park Police Department since 2004. It has proven to be an important officer safety tool that has prevented serious injury to both officers and arrestees in combative arrest situations. The Tinley Park Police Department follows standard manufacturer guidelines regarding training and usage procedures. Because of pending litigation and on the advice of our attorney, the Village of Tinley Park cannot provide further details.
