Blue Moon Honey Moon Summer

Summer Ale captures a light summer taste with a fun Blue Moon twist. The brewers added clover honey to give Honey Moon a hint of sweetness and a touch of orange zest for a slight spice at the finish. The perfect blend of pale malts and white wheat makes Honey Moon a great summer choice. (ABV: 5.1%)

Magic Hat Wacko

Crisp like the morning, cool like the evening and quenching all day long. It's the beer that dances to the beat of summer. Pop the top and set your summer loose. Wacko is the song of summer. A delicious, beet-red summer beer with a big malty aroma, a subdued hop bite and a clean, slightly sweet finish. (ABV: 4.5%)

Sierra Nevada Summerfest

Summerfest is a refreshing, pilsner-style lager. Its incredible smoothness comes from an extra-long lagering period. Lighter in body than Sierra Nevada's ales but just as complex in character, Summerfest quenches your thirst with big aroma and a tangy hop bite. (ABV: 5.5%)

New Castle Summer Ale

NewCastle Summer Ale is a uniquely sessionable summer ale. Brewed with a combination of Golden Promise (sweet clean taste) and Optic (pale color) malt, it uses Fuggles (mild hoppiness, light bitterness) and Styrian Golding. (ABV: 4.4%)

Filtered to a golden clarity and dry-hopped to perfection, Hop Sun is a fantastic session ale in which flavors of wheat, barley and hops commingle to a refreshing and zesty conclusion. Hints of lemon and sweet malts waft to the fore as a touch of bitterness contributes to Hop Sun's bright finish. Enjoy Hop Sun all summer long as a perfect balance to your outdoor recreation. Summer never tasted so good. (ABV: 4.9%)

Samuel Adams Summer Ale

Samuel Adams® Summer Ale is an American wheat ale. This summer seasonal uses malted wheat as well as lemon zest and grains of paradise, a rare pepper from Africa first used as a brewing spice in the 13th Century to create a crisp and spicy flavor and body. The ale fermentation imparts a background tropical fruit note reminiscent of mangos and peaches. All of these come together to create a quenching, clean finishing beer perfect for those warm Summer days. (ABV: 5.3%)

New Belgium Somersault

Somersault Ale was designed to be a fun roll around on the tongue while requiring only the minimum of palate gymnastics. In other words, this perfect summer lounge-around beer is ridiculously fun and easy to drink. An amber tinted blonde, Somersault tumbles out with citrus aroma from Centennial hops, a soft apricot fruitiness tucked into the flavor, a fresh snap from a sliver of ginger root, followed by a smooth, upright finish with oats fermented in a long, slow mash. (ABV: 5.2%)
