Dear Governor Perdue,

I write to formally resign as a Trustee of the University that I love so dearly. I am not resigning because I have acted inappropriately. Both the Chancellor and the Provost have communicated publicly and independently that the hiring process of Mary Easley was free from any improper influence. At all times I have acted in a manner that reflects the University's high standards of integrity while doing so to the very best of my ability.

I step today aside because I want what is best for NC State. I do not want my continued service to distract in any way from the great work of the University. It is truly one of North Carolina's most valuable resources. I've been blessed to have served such a distinguished University, Chancellor and my fellow Trustees.

Respectfully,

D. McQueen Campbell, III

cc Chancellor Oblinger
NC State Board of Trustees
