

THE **NRA** FOUNDATION  
TEACH FREEDOM

2016  
ANNUAL  
REPORT

# MESSAGE

## FROM THE PRESIDENT

**IT** is an honor to present to you The NRA Foundation's Annual Report for 2016. Our sincere thanks go to you for your commitment to support The Foundation's activities. A priority of the Foundation is its support of public educational programs across America, and working toward a healthy future for the shooting sports and our country's traditions.

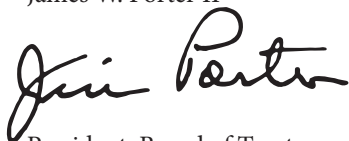

To that end, grants awarded to qualified programs from The NRA Foundation totaled nearly \$34 million in 2016 and now approach \$335 million in funding through 42,000 grants in support of the shooting sports.

Funds raised by *Friends of NRA* continue to provide resources for expansion, growth and development of eligible programs at the local, state and national levels. Each year, half of all net proceeds raised through the *Friends of NRA* program are allocated to fund projects within the state in which the money was raised. The other half funds similar projects with a national scope.

NRA Ring of Freedom members also continue to put their donations where their heart is, whether it's in the shooting sports, hunting and conservation, law enforcement training, or programs geared toward our next generation of patriots. All contributions make a direct impact on the future of freedom.

The Foundation is proud of its role in funding support for thousands of eligible programs in communities across the country, and without you our success would not be possible. On behalf of The Foundation Board of Trustees, thank you for trusting our Board and staff to fund programs and projects representing the very best that is the NRA.

James W. Porter II

President, Board of Trustees  
The NRA Foundation

# LETTER

## OF APPRECIATION

**FOR** more than two decades, The NRA Foundation has served the needs of freedom-loving Americans across this great nation. Through your philanthropic leadership, we reached significant milestones in the history of The NRA Foundation in 2016 that highlight our efforts to preserve freedom for future generations of Americans. Your commitment to Teaching Freedom to our young Americans is clear.

Your support this year, as reflected in this Annual Report, has given The NRA Foundation the necessary resources to:

- **Provide** life-saving messages to over 28 million school children through our Eddie Eagle GunSafe® Program
- **Expand** and develop our competitions and training of coaches, law enforcement, instructors, women and youth
- **Support** the development and improvement of ranges and shooting facilities across the country
- **Educate** young people all across the country in firearm safety through their affiliations with organizations such as Boy Scouts of America, 4-H Clubs, and others that receive NRA Foundation grants
- **Award** nearly \$335 million in grant support to eligible programs and projects since its inception
- **Introduce** more students to wildlife and conservation through art with the George Montgomery/NRA Youth Wildlife Art Contest

We are proud to Teach Freedom through programs that instill knowledge about America's great history, build partnerships with leaders in your communities, and provide grants that are instrumental in funding programs that support our shared vision.

Your leadership and extraordinary support of Freedom's cause are making a huge difference in our commitment to promote this country's treasured traditions and the Second Amendment.

On behalf of the entire NRA Family, thank you for your dedication and for your generous contributions that keep America safe and free. I am honored to count on you as a friend and an inspiration in making these accomplishments a reality.

Wayne LaPierre

Executive Vice President, NRA  
*Ex Officio* Trustee, The NRA Foundation

**GRANTS** from The NRA Foundation provide essential program funding, ensuring the availability of quality training and educational opportunities nationwide. Through its grant support of eligible educational programs, The NRA Foundation carries out its important educational mission across the country. Each year, donors and volunteer *Friends of NRA* committees tirelessly raise charitable dollars that fund firearms and safety related public service programs in our communities, including firearms education, training and safety; competitive shooting; hunting and conservation; community outreach; range improvement projects; historical education; and general shooting programs.

**SINCE** its first grant was awarded in 1992, The NRA Foundation has awarded nearly \$335 million through more than 42,000 grants in support of eligible programs and projects across the country. The NRA Foundation grant program provides supplies, equipment and financial support to a variety of programs geared towards youth, women, law enforcement, veterans, disabled and the general public. The core focus of Foundation grants remains strong: Teach Freedom.

The following pages reflect the many organizations and programs supported by NRA Foundation state fund grants in 2016 through funds raised by volunteer *Friends of NRA* committees. Take pride in the role you have played in these achievements as you review the grants made possible through extraordinary efforts of supporters and volunteers across the country.

**THE NRA Ring of Freedom** is dedicated to building relationships with patriots who are seeking to secure the future of freedom. Our mission is to gather the resources required to help preserve the uniquely American freedoms set forth by our Founding Fathers in the Second Amendment.

Freedom-loving individuals, families or companies who make gifts totaling \$1,000 or more per year to the NRA or any of its affiliates, including The NRA Foundation, are recognized as donors through the NRA Ring of Freedom Program.

Gifts of \$25,000 or more qualify for lifetime NRA Ring of Freedom recognition and can be achieved through cumulative giving.

Some leaders with the capacity to do so may find they are called to even greater giving, and to those individuals we extend an invitation to join the **Golden Ring of Freedom**. The NRA Golden Ring of Freedom is reserved for those who have made gifts totaling \$1 million or more to the NRA or its affiliates.

Benefits of joining the NRA Ring of Freedom family include: invitations to special events at the NRA Annual Meeting, recognition in an honor roll of donors, subscription to the *Ring of Freedom* magazine, and invitations to join regional and national NRA Ring of Freedom events.

**RING of  
FREEDOM**

Through the leadership of NRA Ring of Freedom donors, never again will this peerless liberty suffer the blatant infringement and cultural disdain it barely survived over the past quarter-century. That's why it is essential that great Americans like you ensure that we stand ready to preserve our treasured freedoms.

The **Ring of Freedom Heritage Society** is an umbrella recognition program for all NRA supporters who choose to leave a legacy of freedom through a planned gift to the NRA or its affiliates, including The NRA Foundation. Gifts that qualify for recognition include, but are not limited to real estate, firearms, bequests, life insurance, charitable gift annuities and beneficiary designations.

**Heritage Society Ambassador** donors are those Heritage Society members who have chosen to strengthen their commitment to freedom by providing documentation of their planned gifts to the NRA Office of Advancement. Documented Planned Gift commitments of any value over \$1 million qualify for **Charlton Heston Ambassador** recognition.

Benefits of joining the Heritage Society family include: invitations to special events at the NRA Annual meetings, lapel pin, recognition on the Defenders of Freedom wall and invitations to join regional and national Heritage Society events.

For more information about any donor recognition program call **877-NRA-GIVE**.

YOUR LEGACY OF

**FREEDOM**

**WAYS** to Support Your NRA: The NRA Foundation offers many flexible options for individuals, organizations, and companies to support the Foundation's work. Call **1-877-NRA GIVE** (1-877-672-4483) for details on the options available. These include:

**Current Contributions**

- Online Contributions
- Payroll Deduction
- Employer Matching Gift
- Workplace (CFC/United Way)
- Memorial Gifts
- Gifts in Kind
- Firearms
- Real Estate
- Stocks, Bonds

**Contributions through a Planned Gift**

- Will or Living Trust Bequests
- Life Insurance
- Retirement Plans, IRA-401k
- Real Estate
- Charitable Trusts

**Planned Gifts That Provide Income to Donor(s)**

- Charitable Remainder Trusts
- Charitable Gift Annuities  
(Funded by Cash, Appreciated Stocks, Firearms, Real Estate)

YOUR LEGACY OF  
**FREEDOM**

### **Wills and Bequests**

Donors can bequeath a specific amount or a percentage of their estate to The NRA Foundation. Contributions by bequest are deductible from the taxable estate as a charitable gift. As an alternative, The NRA Foundation can be named a contingent beneficiary in the event the first-named beneficiary (ies) should not live to receive the inheritance. If your will is already prepared, a simple codicil (a supplement or addition) can be added to the existing document.

Since local laws differ, a professional advisor should be contacted for the preparation of all wills and trusts. As a reference, The NRA Foundation recommends that members and friends consider the following language for use in their wills.

**General bequest language is as follows:** I give, devise, and bequeath to The NRA Foundation, Inc., 11250 Waples Mill Road, Fairfax, Virginia 22030, the sum of \$\_\_\_\_\_ (or here otherwise describe the gift) for its general purposes as such shall be determined by its Board of Trustees.

**Bequest language to benefit The NRA Foundation endowment is as follows:** I give, devise, and bequeath to The NRA Foundation, Inc., 11250 Waples Mill Road, Fairfax, Virginia 22030, the sum of \$\_\_\_\_\_ (or here otherwise describe the gift) for its endowment.

REPORT OF THE

# TREASURER

**THE** NRA Foundation, Inc. experienced continued growth and success in 2016, with net proceeds from *Friends of NRA* events of \$29.9 million. As a result, the Foundation awarded a record \$33.8 million in grants for programs such as youth; range development and improvement; training, education and safety; and wildlife and natural resources. During 2016, 85 cents of every dollar spent went to grants and programs. With steady growth since inception in 1990, the Foundation's financial position is strong, with nearly \$87.7 million in cash and investments and \$124.3 million in net assets at December 31, 2016.

Management of the Foundation's investment portfolio is assigned to various external managers under the supervision of the Treasurer, with oversight by a committee of the Board of Trustees. The portfolio is allocated among equity and fixed income investments in a manner that maximizes investment returns at appropriate risk levels. The Foundation's endowment investment portfolio was up 7.61% for the year ended December 31, 2016.

### Report on the Financial Statements

We have audited the accompanying financial statements of The NRA Foundation, Inc. (the Foundation), which comprise the statements of financial position as of December 31, 2016 and 2015, the related statements of activities and cash flows for the years then ended and the related notes to the financial statements.

### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of The NRA Foundation, Inc. as of December 31, 2016 and 2015, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Cash and cash equivalents, at end of year	\$ 16,881,055	\$ 13,283,813

## 1. Nature of Activities and Significant Accounting Policies

The NRA Foundation, Inc. (the Foundation) is a non-profit organization incorporated in 1990 under the laws of the District of Columbia. The Foundation is organized to be operated exclusively in support of charitable, scientific and educational purposes. The Foundation is supported primarily by Friends of NRA (FONRA) fundraising events and other charitable contributions.

### BASIS OF PRESENTATION

The financial statements of the Foundation have been prepared on the accrual basis and in conformity with accounting principles generally accepted in the United States of America which requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities as of the date of the financial statements and the reported amount of revenue and other support and expenses during the reporting period. Actual results could differ from those estimates.

### CLASSIFICATION OF NET ASSETS

To identify the observance of limitations and restrictions placed on the use of the resources available to the Foundation, the accounts of the Foundation are maintained in three separate classes of net assets; unrestricted, temporarily restricted, and permanently restricted, based on the existence or absence of donor-imposed restrictions.

Unrestricted net assets represent resources that are not restricted, either temporarily or permanently, by donor-imposed stipulations. They are available for support of the Foundation's general operations.

Temporarily restricted net assets represent contributions and other inflows of assets whose use by the Foundation is limited by donor-imposed stipulations. These restrictions are temporary in that they either expire by passage of time or can be fulfilled and removed by actions of the Foundation pursuant to those stipulations.

Permanently restricted net assets represent endowment contributions and other inflows of assets whose use by the Foundation is limited by donor-imposed stipulations that neither expire by passage of time nor can be fulfilled and removed by actions of the Foundation pursuant to those stipulations.

### CASH AND CASH EQUIVALENTS

The Foundation considers all highly liquid investments purchased with a maturity of three months or less at the date of purchase to be cash equivalents.

### CONCENTRATION OF CREDIT RISK

The Foundation maintains a cash balance in excess of federally insured limits in an interest bearing account. The Foundation's policy is to deposit funds only in financially

sound institutions. Nevertheless, these deposits are subject to some degree of credit risk. Investments are maintained in financial institutions. Accounts receivable primarily represent funds due to the Foundation for contributions and from FONRA events and committees, and are not collateralized.

The Foundation invests in a professionally managed portfolio that primarily contains money market funds, equity securities, and fixed income securities. Such investments are exposed to various risks, such as market and credit. Due to the level of risk associated with such investments, and the level of uncertainty related to changes in value of such investments, it is at least reasonably possible that changes in risk in the near term would materially affect investment balances and the amounts reported in the financial statements.

### INVESTMENTS

Investments consist primarily of money market funds, equity securities, and fixed income securities which are carried at fair value, as determined by an independent market valuation service using the closing prices at the end of the period. In calculating realized gains and losses, the cost of securities sold is determined by the specific-identification method. To adjust the carrying value of the investments, the change in fair value is included in revenue and other support in the statements of activities.

### PLEDGES AND CONTRIBUTIONS RECEIVABLE

Unconditional pledges and contributions receivable consist of irrevocable and measurable bequest proceeds due to the Foundation and donor promises to give in future periods, usually over a period of one to ten years. Pledges due in more than one year are recorded at the present value of estimated cash flows, and for both the years ended December 31, 2016 and 2015, have been discounted by rates ranging from 1.1% to 2.6%. An allowance for uncollectible pledges and contributions receivable is provided based upon management's judgment of potential defaults.

### ACCOUNTS RECEIVABLE

Accounts receivable consist of start-up funds and current year event proceeds due from FONRA committees. Start-up funds are advanced to each new FONRA committee and are returned to the Foundation only upon dissolution of the committee.

### INVENTORY

Inventory consists primarily of artwork, shooting sports, and hunting supplies to be utilized at FONRA fundraising events. Inventory is stated at the lower of cost or market, with cost determined using the first-in, first-out method. Adjustments are made to reduce the inventory to net realizable value in the case of obsolescence.

#### PROPERTY AND EQUIPMENT

Property and equipment are stated at cost, less accumulated depreciation. Expenditures for maintenance and repairs, which do not prolong the useful lives of the assets, are expensed. Depreciation is computed on the straight-line method over the assets' estimated useful lives. Building improvements are depreciated over useful lives of 20 years, other property and equipment is depreciated over two to 10 years. The Foundation capitalizes complete desktop and laptop computers greater than \$500 and all other fixed assets greater than \$1,500.

#### MUSEUM COLLECTIONS

The Foundation has capitalized its museum collections, consisting principally of donated firearms, since its inception. If purchased, items accessioned into the collection are capitalized at cost, and if donated they are capitalized at their appraised value or fair value on the accession date. Gains or losses on the deaccession of collection items are classified in the statements of activities as unrestricted, temporarily or permanently restricted support depending on donor restriction, if any, placed on the item at the time of accession. Provisions are made to reduce museum collections to net realizable value. Museum collections are not depreciated as the Foundation takes appropriate measures to perpetually preserve their cultural and historic value.

#### SPLIT INTEREST AGREEMENTS

The Foundation is the beneficiary under several split interest agreements in the form of charitable lead trust and charitable remainder unitrust agreements. Under terms of the agreements, the Foundation has the irrevocable right to receive the annual payments during the life of the trust and/or remaining trust assets upon termination of the trust. Split interest agreements are recorded as an asset based on the actuarially computed value as of the end of each year. The difference between the amount received for the agreement and its actuarially computed value is recorded as revenue. Split interest agreements due in more than one year have been recorded at the present value of estimated cash flows. For both the years ended December 31, 2016 and 2015, the discount rate applied ranged from 2.5% to 8.0% and incorporated future life expectancies ranging from 0 to 21 years.

#### ANNUITIES PAYABLE

Donors have established and funded gift annuity contracts. Under terms of the contracts, the Foundation has the irrevocable right to receive the remaining contract assets upon termination of the contract. Annuity contracts are recorded as a liability based on the actuarially computed value at the time of gift. The difference between the amount received for the contract and its actuarially computed value is recorded as revenue. For both the years ended December

31, 2016 and 2015, the discount rate applied ranged from 1.2% to 3.4%.

#### REVENUE RECOGNITION

Unconditional contributions, whether unrestricted or restricted, are recognized as revenue upon notification of the unconditional gift or pledge and classified in the appropriate net asset category. Proceeds from FONRA fundraising events, net of direct benefit expenses paid by the FONRA event committees, are recorded in the period in which the event occurs. One half of the net proceeds from FONRA events are restricted for use by the FONRA State Fund committee in which the event was held. These proceeds may be temporarily or permanently restricted. Temporarily restricted proceeds become unrestricted when qualifying expenses have been incurred.

#### OUTSTANDING LEGACIES

The Foundation is the beneficiary under various wills and trust agreements, the total realizable amounts of which are not presently determinable. The Foundation's share of such amounts is not recorded until the Foundation has an irrevocable right to the bequest and the proceeds are measurable.

#### VALUATION OF LONG-LIVED ASSETS

Long-lived assets and certain identifiable intangible assets are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable. Recoverability of long-lived assets is measured by a comparison of the carrying amount of the asset to future undiscounted net cash flows expected to be generated by the asset. If such assets are considered to be impaired, the impairment to be recognized is measured by the amount by which the carrying amount of the assets exceeds the estimated fair value of the assets. Assets to be disposed of are reportable at the lower of the carrying amount or fair value, less cost to sell.

#### FUNCTIONAL ALLOCATION OF EXPENSES

The costs of providing program services and supporting activities have been accounted for on a functional basis in the statements of activities. Accordingly, certain costs have been allocated among program services, administrative, and fundraising expenses.

#### GRANT PROGRAM EXPENSE

Grants are recorded as program expense in the year in which the Foundation's Board of Trustees approves the expenditure. The Foundation supports a wide range of firearms and safety-related public interest activities, including youth education, range development and

improvements, wildlife and natural resource conservation, school security and firearm training, education and safety programs.

**TAX STATUS**

The Foundation is exempt from federal income taxes under section 501(c)(3) of the Internal Revenue Code and from state income taxes. In addition, the Foundation is not classified as a private foundation.

The Foundation follows the accounting standard on accounting for uncertainty in income taxes, which addresses the determination of whether tax benefits claimed or expected to be claimed on a tax return should be recorded in the financial statements. Under this guidance, the Foundation may recognize the tax benefit from an uncertain tax position only if it is more-likely-than-not that the tax position will be sustained on examination by taxing authorities, based on the technical merits of the position. The tax benefits recognized in the financial statements from such a position are measured based on the largest benefit that has a greater than 50% likelihood of being realized upon ultimate settlement. The guidance on accounting for uncertainty in income taxes also addresses de-recognition, classification, interest and penalties on income taxes, and accounting in interim periods.

Management evaluated the Foundation's tax positions and concluded that the Foundation had taken no uncertain tax positions that require adjustment to the financial statements to comply with the provisions of this guidance. Generally, the Foundation is no longer subject to income tax examinations by the U.S. federal, state or local tax authorities for years before 2013, which is the standard statute of limitations look-back period.

**PENDING ACCOUNTING PRONOUNCEMENTS**

In July 2015, the FASB issued ASU 2015-11, *Inventory (Topic 330): Simplifying the Measurement of Inventory*. The amendments in the ASU require entities that measure inventory using the first-in, first-out or average cost methods to measure inventory at the lower of cost and net realizable value. Net realizable value is defined as estimated selling price in the ordinary course of business less reasonably predictable costs of completion, disposal and transportation. This ASU will be effective for the Foundation for fiscal years beginning after December 15, 2016.

In August 2016, the FASB issued ASU No. 2016-14, *Not-for-Profit Entities (Topic 958): Presentation of Financial Statements of Not-for-Profit Entities*. The amendments in this ASU make improvements to the information provided in financial statements and accompanying notes of not-for-profit entities. The amendments set forth the FASB's improvements to net asset classification requirements and the information presented about a not-for-profit entity's liquidity, financial performance and cash flows. The ASU will be effective for fiscal years beginning after December

15, 2017. Earlier adoption is permitted. The changes in this ASU should generally be applied on a retrospective basis in the year that the ASU is first applied.

**SUBSEQUENT EVENTS**

The Foundation evaluated subsequent events through March 8, 2017, which is the date the financial statements were available to be issued.

**2. Investments**

Investments, at fair value, as of December 31, 2016 and 2015 consisted of the following:

	2016	2015
Money market	\$ 2,452,755	\$ 3,956,176
Equity securities	49,269,448	44,912,805
Fixed income securities	19,099,401	15,902,218
<b>Total</b>	<b>\$ 70,821,604</b>	<b>\$ 64,771,199</b>

Investment income (loss) for the years ended December 31, 2016 and 2015 included the following:

	2016	2015
Realized (loss) gain, net	\$ (102,508)	\$ 114,288
Unrealized gain (loss), net	2,964,662	(3,112,914)
Dividends and interest	1,729,861	1,659,312
<b>Total</b>	<b>\$ 4,592,015</b>	<b>\$ (1,339,314)</b>

**3. Pledges and Contributions Receivable**

At December 31, 2016 and 2015, donors to the Foundation have unconditionally promised to give amounts as follows:

	2016	2015
Within one year	\$ 2,830,939	\$ 3,303,584
One to five years	1,126,150	1,808,201
More than five years	263,000	231,575
	4,220,089	5,343,360
Less: discount on pledges receivable	(4,403)	(13,227)
	4,215,686	5,330,133
Less: allowance for uncollectible pledges	(299,000)	(198,000)
<b>Total</b>	<b>\$ 3,916,686</b>	<b>\$ 5,132,133</b>

Estate proceeds bequeathed and due to the Foundation in the amount of \$641,442 and \$1,412,070 were included in contributions receivable at December 31, 2016 and 2015, respectively.

## 4. Property and Equipment

Property and equipment as of December 31, 2016 and 2015 consist of:

	2016	2015
Buildings and improvements	\$ 777,206	\$ 777,206
Furniture, fixtures and equipment	908,900	637,562
	1,686,106	1,414,768
Less: accumulated depreciation	540,099	370,765
	\$ 1,146,007	\$ 1,044,003

Depreciation expense for the years ended December 31, 2016 and 2015 was \$169,334 and \$114,052, respectively.

## 5. Credit Agreement

The Foundation maintains a \$2,000,000 collateralized line of credit agreement with a bank, which expires September 30, 2017. The agreement was secured by cash and securities totaling \$8,408,066 and \$7,906,452 at December 31, 2016 and 2015, respectively. Under the terms of this agreement, for any borrowings, the Foundation would make monthly interest payments on the daily outstanding principal at a variable rate based on the 30-day LIBOR rate, plus 0.70%. At December 31, 2016 and 2015, no amounts were outstanding under the line of credit agreement.

## 6. Fair Value Measurements

The Foundation follows the Codification Topic, *Fair Value Measurement*, which defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date and sets out a fair value hierarchy. The fair value hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Inputs are broadly defined

as assumptions market participants would use in pricing an asset or liability. The three levels of the fair value hierarchy are described below:

**Level 1:** Unadjusted quoted prices in active markets for identical assets or liabilities that the reporting entity has the ability to access at the measurement date. The type of investments included in Level 1 include listed equities and listed derivatives.

**Level 2:** Inputs other than quoted prices within Level 1 that are observable for the asset or liability, either directly or indirectly; and fair value is determined through the use of models or other valuation methodologies.

**Level 3:** Inputs are unobservable for the asset or liability and include situations where there is little, if any, market activity for the asset or liability. The inputs into the determination of fair value are based upon the best information in the circumstances and may require significant management judgment or estimation.

In certain cases, the inputs used to measure fair value may fall into different levels of the fair value hierarchy. In such cases, an investment's level within the fair value hierarchy is based on the lowest level of input that is significant to the fair value measurement. The Foundation's assessment of the significance of a particular input to the fair value measurement in its entirety requires judgment, and considers factors specific to the investment.

In determining the appropriate levels, the Foundation performs a detailed analysis of the assets and liabilities that are subject to fair value measurements. At each reporting period, all assets and liabilities for which the fair value measurement is based on significant unobservable inputs are classified as Level 3.

The estimated fair values of the Foundation's short-term financial instruments, including cash and equivalents, and payables arising in the ordinary course of operations, approximate their individual carrying amounts due to the relatively short period of time between their origination and expected realization.

The tables below present the balances of assets measured at fair value on a recurring basis by level within the hierarchy.

Assets	As of December 31, 2016			
	Total	Level 1	Level 2	Level 3
Available-for-sale equity securities:				
Consumer discretionary	\$ 141,495	\$ 141,495	\$ —	\$ —
Consumer staples	29,657	29,657	—	—
Energy	13,979	13,979	—	—
Financials	106,189	106,189	—	—
Health care	96,388	96,388	—	—
Industrials	63,180	63,180	—	—
Information technology	246,449	246,449	—	—
Materials	15,117	15,117	—	—
International equities	124,485	124,485	—	—
Multi-strategy stock funds	46,463,457	46,463,457	—	—
Stock funds - commodities	1,969,052	1,969,052	—	—
<b>Total available-for-sale equity securities</b>	<b>49,269,448</b>	<b>49,269,448</b>	<b>—</b>	<b>—</b>
Available-for-sale fixed income securities:				
Corporate bonds <sup>(a)</sup>	5,009,390	5,009,390	—	—
U.S. Treasury & agency	3,851,163	3,851,163	—	—
Multi-strategy bond funds	10,057,364	10,057,364	—	—
Mortgage obligations	132,588	132,588	—	—
Municipal bonds	48,896	48,896	—	—
<b>Total available-for-sale fixed income securities</b>	<b>19,099,401</b>	<b>19,099,401</b>	<b>—</b>	<b>—</b>
Money market	2,452,755	2,452,755	—	—
<b>Total investments</b>	<b>70,821,604</b>	<b>70,821,604</b>	<b>—</b>	<b>—</b>
Split interest agreements	1,273,037	—	—	1,273,037
<b>Total assets</b>	<b>\$ 72,094,641</b>	<b>\$ 70,821,604</b>	<b>\$ —</b>	<b>\$ 1,273,037</b>

(a) Based on its analysis of the nature and risk of these investments, the Foundation has determined that presenting them as a single class is appropriate.

Assets:	As of December 31, 2015			
	Total	Level 1	Level 2	Level 3
Available-for-sale equity securities:				
Multi-strategy stock funds	\$ 43,695,674	\$ 43,695,674	\$ —	\$ —
Stock funds - commodities	1,217,131	1,217,131	—	—
<b>Total available-for-sale equity securities</b>	<b>44,912,805</b>	<b>44,912,805</b>	<b>—</b>	<b>—</b>
Available-for-sale fixed income securities:				
Corporate bonds <sup>(a)</sup>	5,005,426	5,005,426	—	—
U.S. Treasury & agency	3,787,327	3,787,327	—	—

<b>Total investments</b>	<b>64,771,199</b>	<b>64,771,199</b>	<b>—</b>	<b>—</b>
Split interest agreements	975,694	—	—	975,694
<b>Total assets</b>	<b>\$ 65,746,893</b>	<b>\$ 64,771,199</b>	<b>\$ —</b>	<b>\$ 975,694</b>

(a) Based on its analysis of the nature and risk of these investments, the Foundation has determined that presenting them as a single class is appropriate.

Money market funds, equity and fixed income securities are classified as Level 1 instruments, as they are actively traded on public exchanges.

Split interest agreements are classified as Level 3 instruments, as there is no market for the Foundation's interest in the trusts. Further, the Foundation's asset is the right to receive cash flows from the trusts, not the assets of the trusts themselves. Although the trust assets may be investments for which quoted prices in an active market are available, the Foundation does not control those investments.

For assets and liabilities measured at fair value on a recurring basis using significant unobservable inputs (Level 3), *Fair Value Measurement* requires reconciliation of the beginning and ending balances, separately for each major category of assets and liabilities, except for derivative assets and liabilities, which may be presented net. The table below represents the reconciliation of the Foundation's assets measured at fair value on a recurring basis using significant unobservable inputs:

	2016	2015
Split interest agreements, beginning of year	\$ 975,694	\$ 1,047,224
Contributions	285,267	—
Distributions received	(145,533)	(80,918)
Change in value	157,609	9,388
Split interest agreements, end of year	\$ 1,273,037	\$ 975,694

## 7. Temporarily and Permanently Restricted Net Assets

Temporarily restricted net assets are available for the following purposes:

	2016	2015
Program grants	\$ 37,016,860	\$ 35,269,778
Other, passage of time	2,120,190	1,745,923
<b>Total</b>	<b>\$ 39,137,050</b>	<b>\$ 37,015,701</b>

Income from the following permanently restricted net assets is expendable to support program grants in those respective areas:

	2016	2015
National Firearms Museum	\$ 30,708,508	\$ 30,543,546
Youth education	5,934,547	5,776,542
Hunting & wildlife conservation	6,956,818	6,586,005
Firearms & marksmanship training	2,957,776	2,903,983
Other programs	18,893,817	18,061,197
<b>Total</b>	<b>\$ 65,451,466</b>	<b>\$ 63,871,273</b>

The Foundation follows the Codification subtopic *Reporting endowment funds*. The Codification addresses accounting issues related to guidelines in the Uniform Prudent Management of Institutional Funds Act of 2006 (UPMIFA), which was adopted by the National Conferences of Commissioners on Uniform State Laws in July 2006 and enacted in the Commonwealth of Virginia on July 1, 2008 and in the District of Columbia on January 23, 2008. The Foundation includes all permanently restricted funds and temporarily restricted quasi-endowment funds in its endowments. The Management of the Foundation has interpreted UPMIFA as requiring the preservation of the fair value of original donor-restricted endowment gifts as of the date of the gift absent explicit donor stipulations to the contrary. As a result of this interpretation, the Foundation classifies as permanently restricted net assets (a) the original value of cash gifts donated to permanent endowment, (b) the discounted value of future gifts promised to permanent endowment, net of allowance for uncollectible pledges, and (c) the fair value of non-cash gifts received whereby the proceeds of any future sale are donor-restricted to permanent endowment. The remaining portion of donor-restricted endowment funds not classified in permanently restricted net assets is classified as temporarily restricted net assets until those amounts are appropriated for expenditure by the Foundation in a manner consistent with the standard of prudence prescribed by UPMIFA. In accordance with UPMIFA, the Foundation considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

- The duration and preservation of the fund
- The purposes of the Foundation and donor-restricted endowment fund
- General economic conditions
- The possible effect of inflation and deflation
- The expected total return from income and the appreciation of investments
- Other resources of the Foundation
- The investment policies of the Foundation

The Foundation has adopted investment and spending policies for endowment assets that attempt to provide a predictable stream of funding to the programs supported by its endowment while seeking to maintain purchasing power of the endowment assets. The investment policy of the Foundation is to achieve, at a minimum, a real (inflation adjusted) total net return that exceeds spending policy requirements. Investments are diversified both by asset class and within asset classes. The purpose of diversification is to minimize unsystematic risk and to provide reasonable assurance that no single security or class of securities will have a disproportionate impact on the total portfolio. The amount appropriated for expenditure ranges from 1% to

5% of the endowment fund's fair value as of the end of the preceding year, as long as the value of the endowment does not drop below the original contribution(s). All earnings of the endowment are reflected as temporarily restricted net assets until appropriated for expenditure in the form of program grants.

The Foundation's endowments are composed primarily of donor restricted funds. The changes in endowment net assets for the years ended December 31, 2016 and 2015 are as follows:

	As of December 31, 2016			
	Unrestricted	Temporarily Restricted	Permanently Restricted	Total
Endowment net assets, beginning of year	\$ (1,912)	\$ 8,209,000	\$ 63,871,273	\$ 72,078,360
Interest and dividends, net	6,538	1,409,615	22,826	1,438,979
Net appreciation	(665)	2,067,627	90,815	2,157,777
Contributions	558,239	3,997	1,320,941	1,883,177
Amount appropriated for expenditure	—	(1,771,026)	—	(1,771,026)
Other changes	(508)	—	145,611	145,104
<b>Endowment net assets, end of year</b>	<b>\$ 561,692</b>	<b>\$ 9,919,213</b>	<b>\$ 65,451,466</b>	<b>\$ 75,932,371</b>

	As of December 31, 2015			
	Unrestricted	Temporarily Restricted	Permanently Restricted	Total
Endowment net assets, beginning of year	\$ (1,848)	\$ 11,169,638	\$ 60,550,136	\$ 71,717,926
Interest and dividends, net	—	1,337,323	27,852	1,365,175
Net depreciation	—	(2,348,094)	(64,780)	(2,412,874)
Contributions	—	—	3,354,469	3,354,469
Amount appropriated for expenditure	—	(1,949,867)	—	(1,949,867)
Other changes	(64)	—	3,596	3,531
<b>Endowment net assets, end of year</b>	<b>\$ (1,912)</b>	<b>\$ 8,209,000</b>	<b>\$ 63,871,273</b>	<b>\$ 72,078,360</b>

The related assets are included in investments, museum collections and pledges and contributions receivable.

From time to time, the fair value of assets associated with individual donor-restricted endowment funds may fall below the level that the donor or UPMIFA requires the Foundation to retain as a fund of perpetual duration. In accordance with accounting principles generally accepted in the United States, deficiencies of this nature that are reported in unrestricted net assets as of December 31, 2016 and 2015, were \$2,420 and \$1,912, respectively. The deficiencies in the donor-restricted endowment funds at December 31, 2016 and 2015 resulted from unfavorable market fluctuations and the continued appropriation of endowment assets, which was deemed prudent by the Foundation.

## 8. Operating Leases

The Foundation leases warehouse space and equipment under operating leases, cancelable with one year's notice, with terms expiring through 2019. The annual minimum payments related to these obligations as of December 31, 2016 are as follows:

2017	\$ 186,150
2018	186,150
2019	186,150
<b>Total</b>	<b>\$ 558,450</b>

Total lease expense for each of the years ended December 31, 2016 and 2015 was \$186,150.

## 9. Related Parties

The Foundation is affiliated with the NRA by virtue of the control vested with the NRA's Board of Directors to appoint the Trustees of the Foundation. The Foundation has received certain benefits from this affiliation at no cost, among which are various administrative and support services. Management has determined that the fair value of these benefits is minimal, and accordingly, no amounts are reflected in these financial statements.

The Foundation reimburses the NRA for certain expenses, such as salaries, benefits and general operating expenses, paid by the NRA on the Foundation's behalf. These expenses totaled \$8,862,322 and \$5,837,114 for the years ended December 31, 2016 and 2015, respectively. As of December 31, 2016 and 2015, \$1,215,709 and \$908,726, respectively, was owed to the NRA and included in due to affiliates for reimbursements and pass through funds still held by the Foundation.

The Foundation funded certain qualified NRA programs with grants totaling \$19,276,495 and \$18,985,029 for the years ended December 31, 2016 and 2015, respectively.

Endowment contributions and gift annuities benefiting NRA Civil Rights Defense Fund, NRA Freedom Action Foundation, and NRA Special Contribution Fund are pooled with Foundation investments.

The following amounts were due to affiliates at December 31:

	2016	2015
National Rifle Association	\$ 1,215,709	\$ 908,726
NRA Civil Rights Defense Fund	1,463,317	1,378,888
NRA Freedom Action Foundation	203,237	101,071
NRA Special Contribution Fund	1,040,353	1,041,651
<b>Total</b>	<b>\$ 3,922,616</b>	<b>\$ 3,430,336</b>
