## **Public Notice to Residents and Businesses Cleaning and Inspection of Sanitary Sewer System**

### **AMERICAN TOBACCO DISTRICT SANITARY SEWER INSPECTION**

Hydrostructures, P.A. is under contract with the

**City of Durham, NC**

**Dept. of Water Management (DWM)**

to perform cleaning and inspection of the sanitary sewer system located in this neighborhood. Our employees wear yellow/green T-Shirts with the company logo.

The work will include cleaning and televising sewers.

During this project we may need to access sewers and manholes in your area.

There will be little or no disruptions to your sewer service during inspection.

However, we recommend that residents leave their toilet seats down when not being used, in the improbable event back pressure from the cleaning causes toilets to bubble.

Workers will be commencing work the day the notice is posted.

Your cooperation during completion of this work is greatly appreciated.

If you have questions, PLEASE FEEL FREE TO ASK!
