

STATE OF NORTH CAROLINA  
COUNTY OF WAKE

IN THE GENERAL COURT OF JUSTICE  
SUPERIOR DIVISION

IN RE: INVESTIGATION  
OF  
COMPLAINT  
P10-029647

MOTION TO  
TEMPORARILY SEAL  
911 CALLS, INCIDENT  
REPORT, THE  
APPLICATIONS FOR  
SEARCH WARRANTS  
~~ISSUED BY MAGISTRATES~~  
DATED MARCH 6, 2010, AND THE  
MOTION TO SEAL RECORDS

Now comes the State by and through the District Attorney, and moves this Court for an order temporarily sealing certain records in the above-referenced homicide investigation for thirty (30) days or until an arrest is made in connection with the investigation, which ever comes sooner. In support of the motion the State shows:

1. That pursuant to two calls to 911 on the morning of March 6, 2010, between the hours of 6:00 a.m. and 12:00 noon, the Raleigh Police Department (RPD) initiated an investigation into injuries suffered by Kathy A. Taft.
2. Taft was discovered in an injured condition at 2710 Cartier Drive, Raleigh, N. C.
3. After an examination by medical personnel, it was their opinion that the injuries were the result of a serious assault.
4. As is the usual practice of RPD, they prepared an "offense/incident report" that contained certain information identifying who made the 911 call to police, the number from which it was made, and information that identified the victim.
5. The 911 calls contain information regarding the nature of the injuries and the condition of the victim that is not yet public and would be known only to those persons involved in the investigation or who had observed the victim at the time of or after her injury.
6. RPD officers prepared affidavits and were issued search warrants for the residence at 2710 Cartier Drive and for a 2002 Dodge Durango that was nearby and under the care and control of someone at 2710 Cartier Drive.

7. Disclosure of the information contained in the affidavits, the search warrants, and their returns (inventories), would reveal information about the nature of the assault and other confidential information about the evidence and the progress of the investigation.
8. That on March 9, 2010, the victim, Kathy A. Taft, died as the result of the injuries she suffered from an assault and this is now an ongoing homicide investigation.
9. ~~That to publicly disclose the two 911 calls, the offense/incident report, the two affidavits and applications for search warrants, the two search warrants, the two returns (inventories), and this motion will jeopardize the right of the State to prosecute a defendant, or the right of a defendant to receive a fair trial, or will undermine an ongoing or future investigation.~~

WHEREFORE, the State prays that the Court temporarily seal and prohibit the disclosure of the two 911 calls made regarding this assault, the offense/incident report of this matter, the two affidavits and applications for search warrants described above, the two search warrants described above, the two returns (inventories) for these search warrants, and this motion for an initial period of thirty (30) days from this date unless further orders to the contrary are issued by this Court.

This is the 10<sup>th</sup> day of March, 2010

SUPERIOR COURT DIVISION

IN RE: INVESTIGATION  
OF  
COMPLAINT  
P10-029647

FILED  
2010 MAR 10 PM 1:56

ORDER TO  
TEMPORARILY SEAL  
911 CALLS, INCIDENT  
REPORT, THE APPLICATIONS  
FOR SEARCH WARRANTS  
ISSUED BY MAGISTRATES  
DATED MARCH 6, 2010, AND  
THE MOTION TO SEAL  
RECORDS

This cause having come on to be heard by the undersigned Superior Court Judge, upon written motion by the State, and it appearing to the Court and the Court finding by a preponderance of the evidence that:

1. The information contained in the two 911 calls, the offense/incident report, the two search warrants, and their applications, possible return results thereof, and a motion to seal records fall within the purview of the Administrative Order signed by the Honorable Senior Resident Superior Court Judge, Donald W. Stephens and the Honorable Chief District Court Judge, Robert B. Rader and filed on May 20, 2008 and N.C.G.S. 132-1.4 (e) and (k).
2. That the Court seeks to balance the interests of the public in immediate disclosure of the information described in the motion against the public's interest in having the matter properly investigated and prosecuted and believes that temporarily preventing the disclosure of the information is in the interest of justice and will assist in preserving the integrity of the above-referenced investigation.
3. The immediate disclosure of the two 911 calls and the offense/incident report will jeopardize the right of the State to prosecute a defendant or the right of a defendant to a fair trial or will undermine an ongoing or future investigation within the meaning of N.C.G.S. 132-1.4(e) and are therefore ordered to be sealed.
4. The two search warrants, their applications, possible return results thereof, and motion to seal are ordered to be sealed pursuant to N.C.G.S. 132-1.4(k). The Court finds that release of these documents would likely risk and jeopardize the success of this criminal investigation and will likely undermine the investigation and jeopardize the right of the State to discover and prosecute the perpetrator. It could also publically expose hearsay

information about the offense which may prejudice the public against anyone charged and arrested for this crime.

It is therefore ORDERED pursuant to the Administrative Order signed and filed On May 20, 2008, that the two 911 calls, the offense/incident report, the two applications (including affidavits) for search warrants issued on March 6, 2010, the two search warrants described above, the two returns (inventories) of those search warrants, and the motion to seal records be sealed. The applications (including affidavits), search warrants and returns (inventories), and motion are to be sealed and held by the Wake County Clerk of Court for an initial period of thirty (30) days from this date, subject to court order prior to that time. The 911 calls and the offense/incident report shall be held by the Raleigh Police Department for an initial period of thirty (30) days, subject to court order prior to this time.

So ordered this the 10<sup>th</sup> day of MARCH, 2010.

~~On 03/06/2010 Wake County Emergency Medical Personnel were dispatched to a sick call at 2710 Cartier Drive in Raleigh, NC. Upon arriving at that location, medical personnel found an unresponsive white female in the residence with her sister. This individual was transported to Wake Medical Center for treatment. After arriving at Wake Medical the subject was examined by further medical personnel. This examination revealed that the subject had a laceration to the back of her head and had suffered trauma to the vaginal area. Raleigh Police Officers were notified of this finding and responded to 2710 Cartier Drive and secured the residence for processing. The victim's 2005 white Lexus was found parked in the driveway for this residence.~~

The sister, Dina Holton, was present when Emergency Medical Personnel arrived at the scene. Through interviews conducted with Ms. Holton, it was learned that her personal vehicle was parked approximately 1 block away at the Harris Teeter. Ms. Holton advised that she had locked her keys in this vehicle earlier and had left it at this location. Ms. Holton was the caretaker for the victim when the incident occurred and was the only known individual present inside the residence at the time of the incident.

### Conclusion

Due to the aforementioned information, it is believed that evidence of the above crime may exist within the above described vehicle. Therefore, I respectfully request that a search warrant be issued to recover any evidence related to this crime.
