THE BIG ASK: THE BIG GIVE
FREE Workshops on Living Donation

Do you need a kidney transplant? Or do you have a family member or friend who needs a kidney? This training workshop is for you! While it can be overwhelming to ask someone to consider donation, we can help. In this interactive program, you'll learn the best, most effective strategies and tips for finding a living donor.

This free, 4 hour training workshop will teach kidney patients, families, and friends how to:

- Find a living kidney donor
- Educate family and friends about living donor kidney transplant
- Tell your story through social media outlets and other channels
- "Early dinner" will also be served!
