Families of Route #6,

We are writing to inform you of an incident that happened this morning on Route #6. This morning, I received reports that the bus had stopped before the train tracks on Davis Drive and Waldo Road. While the bus was stopped, the railroad crossing gate descended and landed on the front of the bus.

I immediately contacted WCPSS Transportation Department to make them aware of the incident. They are investigating the matter and have removed the driver from the route.

I appreciate the actions of the students that brought this incident to the schools attention. If you have any questions, please contact me at 919-387-3033. Thank you for your continued support of our school.
