

This has been a loss that is beyond words. We would like to thank our family, friends and community as well as the highway patrol and first responders, and all persons involved that worked so hard Sunday night. Our son was an incredible young man that will be missed by more than we will ever know. He made us proud every day. He loved his Church family and his soccer buddies, and school classmates as well as teachers. To all parents – please remember to give your child hugs and kisses and remember to tell them how much you love them. And to the youth, think about your parents, friends and family each and every time you get behind the wheel of a car.

Please keep our nephew, Brenden Pearce, my sister and their family in your prayers as he recovers.

Thank you for the incredible outpouring of love, prayers and support and please continue to remember us as well as the Speight family and Flowers family. We will all need you for a long time to come.
