RE: Resignation from Office

Dear Susan:

I hereby tender my resignation as Wake County Commissioner representing District 5, effective September 8, 2010. Although my health is continuing to improve, I believe the residents of District 5 deserve a Commissioner that can devote full time to representing their interests. I have enjoyed my years of service to the citizens of Wake County and will continue to advocate for their best interests as a private citizen. Although I will certainly miss the day to day responsibilities of the office, I will cherish and remember with fondness the friends made during my time on the Board and the many accomplishments we were able to implement for the betterment of Wake County.

Please forward this to the Board. Thank you for your attention to this matter.

Sincerely,

Harold H. Webb
