Patriot Prayer expects protests to attempt to disrupt the event because politicians and media have falsely accused Patriot Prayer as a white supremacist rally.

Tried to call again today, but your voice mailbox is full. For some reason texts from my phone say they aren't going through, so hopefully this email is.

Would like to try and talk with you soon so we can start figuring out the details of your permit request.

Thanks  
Noemi

Hi

I wanted to update you on the logistics meeting we held today. As you can imagine, some of our plans have changed in response to this weekend's tragic events in Charlottesville. I know that isn't your group, but we are not expecting all the counter-protesters to know that.

I also wanted to make sure that Kevin is really your sound guy before I call him back.

It can be hard to reach me on my work phone as it is filling up with people asking us to deny our permit, so if I don't answer, please call my cell (or you can text me and ask me to call you) (b) (6)

Thanks.
