**SUBJECT:** City and County of San Francisco's Give2SF COVID-19 Response and Recovery Fund

---

The Give2SF COVID-19 Response and Recovery Fund (Give2SF) is a special fund established by the City and County of San Francisco (City) as part of the *Second Supplement to Mayoral Proclamation Declaring the Existence of a Local Emergency*, dated February 25, 2020, and issued on March 13, 2020. This memorandum summarizes both monetary and in-kind donations (goods) for Give2SF.

### Monetary Donations

The Second Supplement authorizes the Controller to accept and expend funds to provide shelter, food, financial assistance, and other assistance to individuals and families in San Francisco impacted by the emergency; to replace, repair, and rebuild public buildings, infrastructure, and other assets for use in the City's efforts to respond to the emergency; to issue and administer grants and/or interest-free loans to small businesses in San Francisco to compensate for economic harms resulting from COVID-19; and for other city efforts to address the impacts of COVID-19.

Within the authorized uses outlined above, the City has identified three priority areas for the immediate use of the Give2SF funds: (1) food security; (2) access to housing; and (3) security for workers and small businesses. Disbursements of funds are approved by a committee consisting of myself, City Administrator Naomi Kelly, and Director of Emergency Management Mary Ellen Carroll.

As of May 15, 2020, Give2SF had received \$25,906,365 in donations received both directly and through the San Francisco Foundation. Outstanding pledges directly to Give2SF and through the San Francisco Foundation amount to \$462,500. Disbursements have been approved for \$9,810,000, all of which has been disbursed to the Human Services Agency, Mayor's Office of Housing and Community Development, and Office of Economic of Workforce Development. The exhibits below summarize this information, including how funds have been disbursed by departments through their programs. An
