

STATEMENT OF CATHERINE HALE

I am attorney Cathy Hale. I represent Tajudeen Fakoya and Latifa Akande. I made a statement to the press on March 31, 2015 regarding a caption generated during my clients' wedding.

I am pleased to report that my clients, Mr. Evans and Premier Photography have resolved their differences. Mr. Evans of Premier Photography was not present at my clients' wedding, and he was not the operator of the photo booth at their wedding. After he was notified of the caption, Mr. Evans tried to verify who wrote the caption, but he was not able to do so.

Lastly, we regret this issue escalated into litigation as a result of poor communication between the parties at the time the caption was discovered.

My clients accept Mr. Evans' and Premier Photography's statement that he and Premier Photography reject the inappropriate caption printed on the strips and what they represent.
