Re: OIG Complaint #111-1400137-001

Dear Inspector Nguyen:

The Office of Inspector General (OIG) has completed its investigation in the above-referenced complaint. OIG sustains your allegation that effective February 24, 2014 your management told you not to issue citations or re-inspection fees to City buildings in violation of Section 110.1 of the International Fire Code Section and Section 110.1 of the International Building Code. However, OIG does not sustain your allegations that you were discriminated against based on your race (Asian) or your national origin (Vietnamese) or retaliated against you for being a witness in a prior OIG complaint.

Very truly yours,

Robin E. Curtis, Inspector General  
Office of Inspector General
