Re: PI#15-0098

Mr. Wilson:

The Public Integrity Division received your complaint regarding the Houston Community College land purchase of the Conn's property located at 5505 West Loop South on August 19, 2015. We have reviewed your complaint and the documents you provided. We have also reviewed documents we obtained from Tesla Motors, Inc. and from the Texas Appraiser Licensing and Certification Board.

Based on our investigation and review of all the relevant documentation, we find that there is no evidence of any criminal activity under the Texas Penal Code in this matter and therefore no criminal charges will be filed. The Public Integrity Division will now consider this investigation to be closed with no criminal charges.

If you have any questions about this decision, please contact me at 713-274-5911.

Sincerely,

Tiffany Johnson
