RE: Notice ID: 3461828  
CASE NAME: St. Sabina Academy  
REPORT DATE: 01/04/2021

Dear Moira Reilly:

The Department of Children and Family Services ("DCFS") has completed its investigation of the report of suspected child abuse and/or neglect that you reported. After a thorough investigation, DCFS has determined the report to be "unfounded." This means that credible evidence of child abuse or neglect was not found during this investigation. This does not necessarily mean that an incident did not occur. An incident may have occurred but the evidence did not rise to the level required to indicate for abuse or neglect as dictated by state law and DCFS Administrative Rule.

DCFS intends to unfound the following alleged perpetrator(s) for:

Child Victim	Perpetrator Name	Allegation
Unknown, Unknown	PFLEGER, MICHAEL	60-Substantial Risk of Physical Injury/Environment Injurious to Health and Welfare by Neglect

In accordance with the provisions of the Abused and Neglected Child Reporting Act, 325 ILCS 5/7.21, as a mandated reporter, you may request a review of the investigation within ten days of the date of this letter if you have concerns regarding the adequacy of the investigation. You may request a review by sending written correspondence to the State Central Register at the address below.
