

1 DATE: 07/17/2012
2 TIME: 6:32 p.m.
3 ACTIVITY: Consensual Monitoring
4
5 SPEAKERS:
6 UCE: Undercover Employee
7 DAOUD: Adel Daoud
8
9 * * * *
10
11 DAOUD So, even 9/11, okay, when I was uh like
12 a very, like well much younger. I was
13 thinking, I'm like you know...o, okay
14 maybe it's wrong to kill those people.
15 But, didn't they have it coming?
16 (laughs). I mean you kinda did it
17 first, I mean. It was, I mean, it was
18 like, it was like you're fault you
19 started it.
20
21 UCE Right.
22
23 DAOUD You started it (laughing). I'm like
24 you killed all them, I'm like...you
25 know the hell with you (laughing)...
26
27 UCE (laughing).
28
29 DAOUD ...I'm like...you know what I mean?
30 I'm like what did you expect?
31
32 UCE I know, I know.
33
34 DAOUD You want them to give you a piece of
35 candy, give 'em apology letter for all
36 the things they didn't do to you
37 (laughing).
38
39 UCE I know, I know.
40
41 DAOUD You know...I'm like it kinda makes
42 sense that they did it. I'm like I may
43 not totally support, but...I'm not
44 against it, I'm like...you know what I
45 mean, I'm like... you know.
46
47 UCE I know.

**Government
Exhibit**

7-171-T

1
2 DAOUD And the only reason they have like (UI)
3 okay, women and children, okay...but
4 uhm, even when...and, but you have to
5 tell em like the truth. You know
6 people they say it's conspiracy and
7 even those who think it's a conspiracy
8 they blindly follow on the government.
9 (mumbling) Oh, it's evil, you know
10 what I mean. You know...
11
12 UCE I know.
13
14 DAOUD ...obviously you have to really think
15 about the scale, I mean...uh (UI) was
16 talking, it was so funny...he was like,
17 it's like...it's like a lamb defending
18 her, her baby uh, versus a wolf.
19
20 UCE I know.
21
22 DAOUD Ok, the wolf eats her baby, she goes,
23 she...but, what was she gonna do. And,
24 then wolf says it's so damn funny cause
25 you don't expect him to say this. And,
26 the wolf says you're a terrorist
27 (laughs).
28
29 UCE (laughs).
30
31 DAOUD You know what I mean, it's not gonna
32 work.
33
34 UCE I know, that's what they do.
35
36 DAOUD Right...I'm like this uh, okay. I have
37 to go.
38
39 UCE Brother...
40
41 (a lot of movement on wire - IA)
42
43 UCE ...Thank you brother, it's very nice to
44 meet you brother (UI).
45
46 DAOUD Okay.
47

1 UCE Just think about, think about during
2 the month of Ramadan where would you
3 like to be...
4
5 (a lot of movement on wire - IA)
6
7 DAOUD You know?
8
9 UCE Right.
10
11 DAOUD You know (UI)...
12
13 (a lot of movement on wire - IA)
14
15 DAOUD ...You know because of the 12,000
16 hadith.
17
18 (a lot of movement on wire - IA)
19
20 UCE Yes, I have brothers in Yemen, who they
21 travel to Yemen...
22
23 DAOUD You should somehow give me like contact
24 info.
25
26 UCE Okay.
27
28 DAOUD Of the brother's in Yemen, but that's
29 what you need, contact info (UI).
30
31 UCE You can't go there by yourself, cause
32 if you go there then nobodies gonna
33 trust you, they're gonna think your CIA
34 or F, FBI or something like that.
35
36 DAOUD Yeah, and uh (UI).
37
38 UCE You can't go by yourself.
39
40 DAOUD Insha Allah, I want to go to Medina for
41 school.
42
43 UCE Yeah.
44
45 DAOUD And, afterwards I mean, it's right
46 there but, someone told me there's Shia
47 in between. You know what I mean?

1
2 UCE (UI) Like the first time I went to
3 Afghanistan, I first went to Yemen, and
4 I had people who, who told the Yemeni
5 brothers that I was coming.
6
7 DAOUD Yeah.
8
9 UCE And, they helped me study a little bit.
10 And, then from Yemen I went to Pakistan
11 and Afghanistan.
12
13 DAOUD Yeah.
14
15 UCE That's the proper way to do it, yes.
16
17 DAOUD Yeah.
18
19 UCE So, if you wanna travel to Yemen, I can
20 go with you, I have people there.
21 They're you know we have places we go
22 to.
23
24 DAOUD Yeah.
25
26 UCE And, I trust those people. You cannot
27 go by yourself...
28
29 DAOUD Right.
30
31 UCE ...Obviously, because they're gonna
32 hurt you, you know, what are you doing
33 by yourself? All of a sudden coming
34 from America to Yemen. But, because I
35 know people there, because I travel
36 there, yes, if you had something you'd
37 like to do...of course I can help you
38 with that brother.
39
40 DAOUD (UI).
41
42 UCE Like I said, during this month of
43 Ramadan that's something that I want
44 you to think about.
45
46 DAOUD Yeah.
47

1 UCE What it is you wanna do, you know,
2 and...
3
4 DAOUD The only reason I, I have to think
5 about that, it's gonna take a lot of
6 planning (UI).
7
8 UCE ...Yeah.
9
10 DAOUD But, I was thinking like...you know I'm
11 starting to hate this country
12 (laughing). You know what I mean, I, I
13 can't help but all the time I'm
14 reading, especially Inspire.
15 Mashallah, it does inspire me.
16
17 UCE It does, yes, absolutely.
18
19 DAOUD You know they talking bout uhm...you
20 know what things you could do here, you
21 know?
22
23 UCE We can, you know the...one of the
24 reasons I came back to the U.S. just a
25 couple months ago was because, since
26 the Americans are leaving. We wanna
27 make sure they leave...
28
29 DAOUD And stay gone.
30
31 UCE ...And, and stay gone, and you want 'em
32 to leave with disgrace, with dishonor
33 as losers.
34
35 DAOUD Yeah.
36
37 UCE And, please don't tell anybody this
38 brother...
39
40 DAOUD Yeah, yeah, yeah, okay.
41
42 UCE ...Because I'm gonna tell ya...you
43 know, one of the things we like to do,
44 is we like to do something in America.
45
46 DAOUD Yeah.
47

1 UCE To hurt them here, so they know that
2 you're (UI)...

3

4 DAOUD This is not news to me (laughs) just so
5 you know.
6

7 UCE ...(laughs) Okay, I mean what...

8

9 DAOUD This is not like an open door.

10

11 UCE No.

12

13 DAOUD This is more like a...

14

15 UCE And we wanna, we wanna do a big city,
16 like New York is very hard because
17 there's so much security there. But,
18 Chicago security is not as much, cause
19 they don't know (UI)...

20

21 DAOUD Obviously.

22

23 UCE ...So, we're thinking Chicago...

24

25 DAOUD (laughing).

26

27 UCE ...We're thinking maybe parts of Los
28 Angeles, a big city, but again...

29

30 DAOUD If you need ideas, I'm, I, I, I think
31 about ideas, I don't like have
32 anything, like you know what I mean?

33

34 UCE ...Yeah don't tell anybody.

35

36 DAOUD Obviously, I'm mean like.

37

38 UCE But, if you have ideas you could, you
39 could write 'em down and give 'em to me
40 or what I can do is I can e-mail you,
41 my e-mail address, or text me your e-
42 mail address.

43

44 DAOUD E-mail, by e-mail is not a good idea,
45 cause e-mail is rigged for sure.

46

1 UCE I thou...I think we should do like when
2 we meet, like when I come back, I'll
3 text you like, and then maybe a week or
4 so before I come...
5
6 DAOUD And then come up wit...give me some
7 ideas or something...
8
9 UCE ...Yeah, and just write down some of
10 your ideas...
11
12 DAOUD Write down...yeah, because no one's
13 gonna have...
14
15 UCE ...Ha...yeah, write 'em down on paper.
16
17 DAOUD ...Paper's not electrically sent like
18 (UI) (laughing).
19
20 UCE No, no, no. Write it down on paper,
21 and then you can give me your ideas.
22
23 DAOUD Yeah.
24
25 UCE And really, our goal is to do something
26 in Chicago or L.A....
27
28 DAOUD See that's the thing like, I always
29 think, I wanna go overseas, I wanna go
30 overseas. But, I wanna do something
31 here at the same time, bec...
32
33 UCE Before we leave, yes.
34
35 DAOUD ...Right.
36
37 UCE Cause I want the to...
38
39 DAOUD But, I don't wanna be so open, that
40 they take me before I can go alright
41 (laughing).
42
43 UCE Before, that's why when...that's
44 why...I love my cousin and sometimes he
45 says too many things on e-mail. And,
46 I've told him don't talk to about me on
47 e-mail.

1
2 DAOUD (laughing) I told him that too. I
3 was...
4
5 UCE It scares...
6
7 DAOUD ...Listen man, talk to you on the other
8 website.
9
10 UCE Yes, so...
11
12 DAOUD But, I, I, I, have a big...uh a big
13 mouth, okay?
14
15 UCE ...That's okay, mouth is okay. But, on
16 e-mail you don't wanna (UI)...
17
18 DAOUD You don't wanna be...
19
20 UCE ...E-mail cause now somebody can copy
21 it or somebody can trace it...
22
23 DAOUD ...Paper trail, yeah.
24
25 UCE ...Yeah, so that's dangerous.
26
27 DAOUD Yeah.
28
29 UCE So, whatever ideas you have, write 'em
30 down.
31
32 DAOUD Write 'em down.
33
34 UCE Give 'em to me.
35
36 DAOUD Yeah.
37
38 UCE And, even during the month Ramadan,
39 when you have ideas start writing 'em
40 down in a note pad..
41
42 DAOUD Yeah.
43
44 UCE ...you know? And, then when I come see
45 you, just show me your ideas. We can
46 talk about 'em.
47

1 DAOUD Right. Well not one or two...more than
2 that...but, there's two kinds. One,
3 looks like a plane, like that.
4
5 UCE Right.
6
7 DAOUD And one, uh...I don't know if it's
8 real. It looked real, but then I'm
9 like...
10
11 (a lot of movement on wire - IA)
12
13 UCE It could be fake if it's the Internet.
14
15 DAOUD ...Yeah, but I...it looked like, that
16 looked like, like amazing, one, one has
17 like, little like blue things that come
18 out like that and it's like...it like
19 air and (UI), like that and like
20 that...you know, kinda like a video
21 came where you put like...
22
23 UCE Ooh.
24
25 DAOUD ...Like, flying car (UI) okay.
26
27 UCE Oh wow.
28
29 DAOUD But, they even had website where to buy
30 it...I'm like maybe (UI) real...like
31 regular cars, (UI). If you have, you
32 guys have an idea, he'll like uhm, for
33 example like 9/11, different plane.
34
35 UCE Yeah.
36
37 DAOUD Planes, kinda expensive.
38
39 UCE Yeah.
40
41 DAOUD Kinda hard to hijack.
42
43 UCE I know, I know.
44
45 DAOUD Now this might be expensive the flying
46 car, but I'm very sure that it's uh,
47 it's less expensive than a plane. All

1 you need to get it, is uh pi, pilot
2 license.
3
4 UCE Yes.
5
6 DAOUD Ok, and you, er, or a car...and a car
7 license maybe and you can u...you can
8 buy one. The thing is ok, if you have
9 enough money to buy that, it's much
10 easier just to buy...like you can
11 probably get like, like 20 of those and
12 like hit each one, like whatever
13 buildings you want.
14
15 UCE In Chicago you think?
16
17 DAOUD Uh, I'm not saying which place, I'm
18 just saying like if you have a target,
19 like for example like the Pentagon or
20 something like that.
21
22 UCE Yeah.
23
24 DAOUD If you have a target, in general. Not
25 any target, okay?
26
27 UCE Then you can use that.
28
29 DAOUD You can get like 20 of those, it'll be
30 much cheaper than getting like five
31 airplanes, okay? Or jets, or whatever,
32 right? And you can, and you can put
33 like just better bombs in there, okay?
34 And, you can totally, you can totally
35 do that.
36
37 UCE Yeah.
38
39 DAOUD It's an idea, but obviously...probably
40 try the car first before actually doing
41 (laughing) anything.
42
43 UCE Yeah, I think...or just try a regular
44 car before we try...
45
46 DAOUD Well I mean, obviously...
47

1 UCE ...The flying car.
2
3 DAOUD ...The people who know, like...I'm
4 assuming that the people are going
5 inside know how to use a car and a
6 plane. They should be able to know how
7 to fly a plane and know how to fly a
8 car.
9
10 UCE Yeah, it, it might be a little
11 suspicious if you have something like
12 that, you know what I mean, cause it
13 would stand out. I mean, that's an
14 idea...think about other ideas that
15 maybe that we can...that'll be uhm,
16 maybe less expensive, you know (UI)...
17
18 DAOUD I'm just saying if you need something
19 that big...like okay.
20
21 UCE ...That's a big idea. That's a thing
22 that will take years and years to plan,
23 you know...
24
25 DAOUD Yeah.
26
27 UCE ...And, a lot of money and I don't, I
28 don't think my brothers have that much
29 money...
30
31 DAOUD (laughs).
32
33 UCE ...Even though when I travel we collect
34 money to give to our Mujahidden
35 fighters. I don't think we can collect
36 enough money to buy something like
37 that.
38
39 DAOUD Yeah.
40
