Re: Petition to Remove Soleil Tanning Salon from 1018 W. Madison St.

Dear Alderman Solis,

We write to respectfully petition you to do all you can under the law to remove Soleil Tanning Salon from 1018 W. Madison Street, which is located in the 25th Ward.

We are the owners of the condominium units in this same building, and we are sickened by the allegations that the owner of the salon, Marc Winner, committed multiple violent rapes of customers and employees of the salon, in our building. The allegations are all over the news: major television networks, papers, and online. The State accuses him of being a serial rapist, with three pending rape cases against him, as well as allegations of multiple other incidents of rape in our community. The State alleges he used his salon in our building in his attacks. Besides these horrendous allegations, owners have had numerous other problems with him in recent years, ranging from allegations of drug dealing at the salon to violations of the city parking code with the loading zone in front of the salon.

In short, we believe his business should be closed once and for all. Please let us know as soon as you can what you can do to help us--and what we can do to help you—to solve this serious problem.

Sincerely,

The McGuire Condominium Board of 1016 W. Madison St.
