Dear Parents,

Because we want to keep you informed, I would like you to be aware of an incident that occurred at school yesterday.

A student alerted staff yesterday afternoon of rumors about a weapon being brought to school. School administrators worked with the Garner Police Department and WCPSS Security staff to investigate.

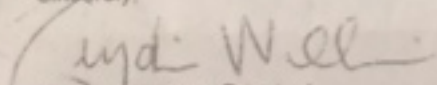

We found one student with an unloaded firearm. The Garner Police Department is investigating to determine any criminal charges. In addition, the school administration and WCPSS Security staff are investigating to determine violations of school board policy.

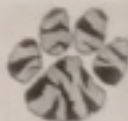

No ammunition was brought with the firearm. While there was never a threat to any student or staff, bringing a weapon to school is a very serious offense.

The best means to keep schools safe is to maintain healthy and open relationships between adults and children at all times. Please help us to continue to emphasize to students that they should feel comfortable in talking about situations that cause them concern.

Please know that we will continue to take every measure to ensure the safety of our students. If you have any questions or concerns, we encourage you to contact the campus office at (919) 662-2359. Thank you for your continued support and cooperation.

Sincerely,

Seydric Williams, Principal
